

Columbia University in the City of New York  
Tuition rates as of August 25, 2025

Per DoD, all tuition rates provided to include the cost per credit hour. Flat-rate costs are not accepted. For institutions with full-time programs that only have flat-rate amounts, tuition cost must be broken down into a "per credit" cost for full-time students. For institutions with full-time and/or part-time flat-rates, use the following calculation to figure the cost per semester hour:

Undergraduate example: Per year tuition cost (\$50,000) X number of years to complete program (4) = \$200,000 / total number of semester hours to complete program (120) = cost per hour (\$1,667).
